Nomination for Marshall Landmark

For a landmark designation: a building, structure, or site possesses the integrity of design, workmanship, materials, location, setting and feeling of a landmark and meets one or more of the following criteria:

- (a) Significant value as part of the historic, heritage or cultural characteristics of the community, county, state or nation;
- (b) Its identification with a person or persons who significantly contributed to the development of the community, county, state or country;
- (c) Representative of the distinguishing characteristics of architecture inherently valuable for the study of a period, type, method of construction or use of indigenous materials;
- (d) Notable work of a master builder, designer, architect or artist whose individual work has influenced the development of the community, county, state or country;
- (e) Its unique location or singular physical characteristics that make it an established or familiar visual feature;
- (f) Its character as a particularly fine or unique example of a utilitarian structure, including but not limited to farmhouses, gas stations, or other commercial structures, with a high level of integrity or architectural significance;
- (g) Area that has yielded or may be likely to yield, information important in history or prehistory.
